Right-A-Way Applicators
281 County Road 19
Cooperstown, ND 58425

City Administrator:

I am the Operations Manager for Right-A-Way Applicators Inc. and we do contract work for the BNSF Railroad which runs through your City. I am writing to compliment your City on your very clean and well run airport. I used it last week to fly in and check on my crew working in the area. It is a real asset to your community and I will definitely use it again and use your City for staging our crews.

David Stokka

A handwritten signature in black ink that reads 'David Stokka'. The signature is written in a cursive, flowing style.
